# NEW POWER TOOLS **F12 & F18**

# F12 & F18

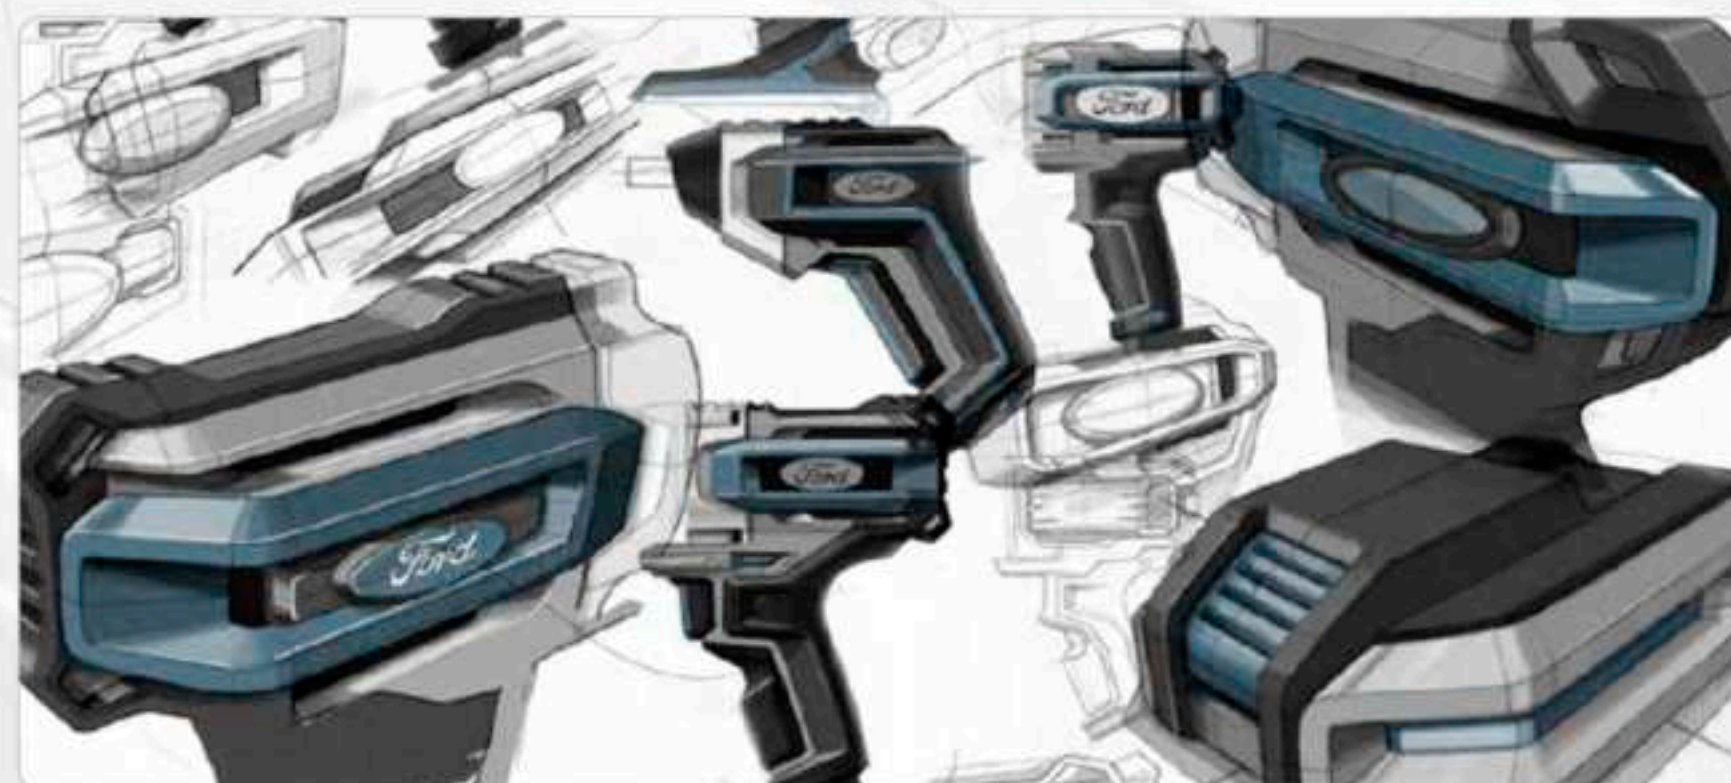

## DESIGN CONCEPT

Ford Tools F12 & F18 new range was inspired in the Ford F150.

Ford Truck 2016 F150 striking design offers a unique concept platform for power tools.

Strong raised geometric shapes, long straight angles and deep cut channels reinforce design strength.

F12 and F18 Built Tough design toughness, power and endurance continue Ford brand tradition.

# F12

# F18

**F12-01  
12V Drill Driver**

- Mabuchi ® 550 series Japanese motor
- No load speed: 0-400/0-1500rpm
- Max. torque: 25N.m. (221.27in-lbs)
- Chuck: 10mm (3/8")
- Torque: 21 torque settings + 1 drill
- Li-ion battery
- Charger
- Automatic spindle lock
- Belt clip
- Magnetic bit holder
- Workpiece LED light

- FEATURES**
- Keyless chuck 10mm
  - Left/right switch
  - Soft grip handle
  - Speed control selector
  - Battery charge level indicator

**F12-02  
12V Impact Drill**

- Mabuchi ® 550 series Japanese motor
- No load speed: 0-450/0-1700rpm
- Max. torque: 25N.m. (221.27in-lbs)
- Chuck: 10mm (3/8")
- Torque: 21 torque settings + 1 drill + 1 Impact
- Li-ion battery
- Charger
- Automatic spindle lock
- Belt clip
- Magnetic bit holder
- Workpiece LED light

- FEATURES**
- Keyless chuck 10mm
  - Left/right switch
  - Drilling/Impact drilling switch
  - Torque adjustment
  - Speed control selector
  - Battery charge level indicator

**F12-03  
12V Lithium Ion Battery**

- Suits F12 battery platform range
- Quick charging
- Deep discharge protection
- Capacity 2.6 Ah
- Battery charge level indicator
- 2X = Double running time

**F18-01  
18V Drill Driver**

- Mabuchi ® 735 series Japanese motor
- No load speed: 0-450/0-1700rpm
- Max. torque: 50N.m. (442.53in-lbs)
- Chuck: 13mm (1/2")
- Metal single sleeve chuck
- Torque: 21 torque settings + 1 drill
- Li-ion battery
- 1hr Fast charger
- Automatic spindle lock
- Belt clip
- Magnetic bit holder
- Workpiece LED light

- FEATURES**
- Full metal keyless chuck 13mm
  - Left/right switch
  - Drilling/Impact drilling switch
  - Torque adjustment
  - Speed control selector
  - Battery charge level indicator

**F18-02  
18V Impact Drill**

- Mabuchi ® 735 series Japanese motor
- No load speed: 0-450/0-1700rpm
- Impact rate: 0-6400/0-24000bpm
- Max. torque: 50N.m. (442.53in-lbs)
- Chuck: 13mm (1/2")
- Metal single sleeve chuck
- Torque: 21 torque settings + 1 Drill + 1 Impact
- Li-ion battery
- 1hr Fast charger
- Automatic spindle lock
- Belt clip
- Magnetic bit holder
- Workpiece LED light

- FEATURES**
- Full metal keyless chuck 13mm
  - Left/right switch
  - Drilling/Impact drilling switch
  - Torque adjustment
  - Speed control selector
  - Battery charge level indicator

**F18-03  
18V Impact Driver**

- Mabuchi ® 735 series Japanese motor
- No load speed: 0-2900rpm
- Impact rate: 0-3300bpm
- Max. torque: 150N.m (1330in-lbs)
- Chuck: 1/4" hex
- Li-ion battery
- 1hr Fast charger
- 3 Workpiece LED lights
- Belt clip
- Magnetic bit holder

- FEATURES**
- Left/Right switch
  - Soft grip handle
  - Battery charge level indicator

**F18-04  
18V Small Body Impact Wrench**

- Mabuchi ® 735 series Japanese motor
- No load speed: 0-2900rpm
- Impact rate: 0-3300bpm
- Max. torque: 220N.m (1947in-lbs)
- Chuck: 1/2" square drive
- Li-ion battery
- 1hr Fast charger
- 3 Workpiece LED lights
- Belt clip
- Magnetic bit holder

- FEATURES**
- Left/Right switch
  - Soft grip handle
  - Battery charge level indicator

**F18-05  
18V Flashlight**

- Power: 3W
- Lumens: 150lm/75lm
- Running time: 4hrs
- Rotation angle: 105°
- Li-ion battery
- High resistance Nylon Body
- Belt clip
- Hanging hook

- FEATURES**
- Pivoting head
  - Soft grip handle
  - Battery charge level indicator

**F18-08  
18V Lithium Ion battery**

- Suits F18 Universal battery platform range
- Quick charging
- Deep discharge protection
- High resistance nylon case
- Capacity 2.6 Ah
- 2X = Double running time
- Battery charge level indicator

**F18-10  
18V Lithium Ion battery**

- Suits F18 Universal battery platform
- Quick charging
- Deep discharge protection
- High resistance nylon case
- Capacity 4.0 Ah
- Battery charge level indicator
- 4X = Four times the running time

**F18-09  
18V Fast charger**

- Fast charger
- Charge time 1hr
- High resistance nylon case
